

Valentine's Day Sewing Card

Instructions:

Materials: white card stock, crayons or markers, scissors, yarn in various colors, tape.

- Print out the card templates on card stock and cut out each heart.
- Use a hole punch to make the holes.
- Color the hearts and write a message inside.
- Use yarn to sew around the edge of the heart (tape the end like a shoe lace so it doesn't fray.)
- Tie the ends together on the back side of the heart.
- Give it to your Valentine!
