

LITTLE CHEERLEADER

Words & Music by Judy Pancoast © 2000

If everybody lived in a perfect world
There'd be something special for each boy and girl;
A little something you could keep in your pocket;
Or in your shoe or on a chain in a locket
A little cheerleader just for you
To cheer you on in everything you do.
Say, "That was great," or "You'll do better next time."
And dance and sing with your own special rhyme singing

CHORUS:

Hey, you! You're really great!
You're the kind of kid we appreciate
You got brains, style, talent, too,
Hey kiddo, here's a cheer for you!
"Here we are the kid pop crew, we are cheering just for you!
Come on, now, think positive!
Give it all you've got to give!
Imagine you're a cheerleader of your own
Cranking out those cheers for yourself alone.
A little voice inside that keeps you going,
That keeps the confidence in your heart growing.
Be a little cheerleader just for you!
Cheer yourself on in everything you do.
Say, "That was great," or "I'll do better next time."
And dance and sing with your own special rhyme singing

REPEAT CHORUS

"Keep on trying, never stop, soon you'll make it to the top!
Don't you worry 'bout the rest
You just gotta do your best!

REPEAT CHORUS
