

A GLASS OF WATER

Words & Music by Judy Pancoast © 1997

CHORUS:

Mama can you bring me a glass of water?
I know I should be sleeping, you say that I oughta;
You say it's past my bedtime and I shouldn't stall,
But I'm not tired at all.

And just like the bunny in GOODNIGHT, MOON
I said "goodnight" to my whole room.
My stuffed animals, I've kissed every one,
But I'm not nearly done, so

REPEAT CHORUS

In BEDTIME FOR FRANCIS she got to eat cake,
Please can I have some? I'll help you bake.
Read one more story, sing one lullaby
So I can close my eyes.

REPEAT CHORUS

BRIDGE:

I tried counting sheep but that was a mistake
'Cause the sheep are asleep but I'm still awake?

REPEAT CHORUS
