

## **THE ONLY BUG AT THE RODEO**

*Words & Music by Judy Pancoast © 2000*

Bobby was the king of the playground....he thought that he was It;  
Everybody had to do what he wanted, or Bobby would have a fit.  
One day a new kid moved to town who didn't follow Bobby's rules;  
When Bobby tried to put him down, he just said , "You think you're  
so cool?"

### **CHORUS:**

Well you ain't the only bug at the rodeo...  
You ain't the only superstar in the show;  
It takes a lot of stars to make the sky shine bright;  
You wouldn't want a Christmas tree with only one light.  
Okay, it's true, it's good to be you'  
But you ain't the only clown at the zoo  
Now Suzy was an excellent dancer, the problem was her attitude;  
She could be downright nasty—she could be downright rude;  
If somebody told her she was really good she'd smile and say , "I  
know!"  
She didn't treat people the way she should, so nobody came to her  
show

### **REPEAT CHORUS**

Now it's good to have a bunch of self esteem, it's good to hold your  
head up high'  
And it's good to stand up for yourself, just don't be standing on the  
other guy  
Nobody likes you if you're all stuck up, think you're better than  
everyone else;  
If you go around acting like you're top pup, you might hear this  
yourself

### **REPEAT CHORUS**
