

SATURDAY MORNING

Words & Music by Judy Pancoast © 1997

On Saturday morning I wake up before everyone else
And I go downstairs, there's nobody there so I make breakfast all
by myself.

Everybody's sleeping in, and that's just fine
They can sleep until noon 'cause I got my cartoons
Saturday morning is mine!

CHORUS:

On Saturday, Saturday
I don't have to go to school, I can stay home and play
On Saturday, Saturday
When I get to do things my way
Every day should be Saturday.

On Saturday morning I use my favorite cereal bowl
And I never spill when I pour the milk 'cause I am a Cereal Pro!
Sometimes, in the living room, I like to make a tent
With a blanket and chairs, I take my puppy in there
And we play pretend.

REPEAT CHORUS

BRIDGE:

Maybe later we'll watch a movie,
Maybe I'll have to do chores,
But Saturday morning I'm on my own and I am never bored!

REPEAT CHORUS
