

I DREAMED OF ANGELS

Words& Music by Judy Pancoast ©2000

The sun was setting in the west, as I lay on my bed to rest;
And as I closed my eyes to sleep,
I prayed the Lord my soul would keep and

CHORUS:

I dreamed of angels,
I dreamed of angels dancin' in my room;
I dreamed of angels,
I dreamed of angels dancin' in my room;
The stars were playing in the sky; the universal lullaby;
As Mamas rock their boys and girls
The sweetest sound heard 'round the world and

REPEAT CHORUS

BRIDGE:

I saw them dance, I heard them sing
Music that made the rafters ring;
Lifting me up so I could see what life on Earth could truly be;
There could be angels all around me
When morning came the world was sweet; I heard the sound of
little feet;
I turned my head toward that sound
And saw my daughters dancin' 'round and

REPEAT CHORUS

God gave me angels dancin' in my room.
