

KIDPOP!

Words & Music by Judy Pancoast © 1997

Everywhere you go, everywhere you look
Kids are playing games, kids are reading books,
Kids are boppin' ` round to their own kid beat,
They got their own kid music and it's really neat,
We call it KidPop!
KidPop!

CHORUS:

All around the world, it's the sound of boys and girls
And they're doing things kids love to do and making music, too!
We call it KidPop!
KidPop!

It's the sound of playing ball and swinging on swings
Sliding on slides and hanging on rings
Running through the sprinkler in the hot summer sun
It's the sound kids make when they're having fun
We call it KidPop!
KidPop!

REPEAT CHORUS

KidPop! KidPop!

REPEAT FIRST VERSE AND CHORUS
