

# **JUMP ROPE QUEEN**

*Words & Music by Judy Pancoast © 1997*

Every day at recess I watch this little girl,  
She's the best jump roper in the whole wide world!  
She can Red Hot Pepper, she can Crossies, too!  
She can even jump backwards! I wish I could, don't you?

## **CHORUS 1:**

She's the jump rope queen; the best jump roper I've ever seen  
The jump rope queen, she can cause a playground scene;  
The jump rope queen, she oughta be on a magazine!  
She's the jump rope queen.

Every day at recess I watch this little boy, too.  
I think it's just amazing, the things that he can do.  
He can jump rope so fast, that jump rope disappears!  
I bet that he could jump rope for a million years.

## **CHORUS 2:**

He's the jump rope king; he can jump rope like anything!  
The jump rope king, he's got the rhythm, he's got the swing,  
The jump rope king, he can make that jump rope sing,  
He's the jump rope king.  
Cinderella dressed in yella, went upstairs to kiss a fella  
Made a mistake and kissed snake! How many doctors did it take?  
Fudge, fudge, call the judge, Mama's having a baby!  
Daddy's going crazy! How many babies will she have?  
Now JUMP!

When they get together, the whole playground joins in,  
Everybody takes turns, and it's the best it's ever been.  
We do "Strawberry Shortcake", and all those jump rope rhymes  
And if you'd come and join us, you'd have a real good time...

## **CHORUS 3:**

We're the jump rope queens and kings  
We can jump rope like anything!  
The jump rope queens and kings  
We've got the rhythm, we've got the swing  
The jump rope queens and kings

We can make that jump rope sing...  
We're the jump rope queens and kings!  
Queens and kings, queens and kings!
