

# **BUG HUNTIN'**

Words & Music by Judy Pancoast © 1997

## **CHORUS:**

Going bug huntin' (going bug huntin')  
Going bug huntin' (going bug huntin')  
In my backyard (in my backyard)  
Got myself a jar (got myself a jar)  
Gonna find some things I haven't seen yet,  
Gonna take them home and make 'em my pets.  
Going bug huntin' (going bug huntin')  
Going bug huntin' (going bug huntin')  
Underneath my back porch stairs,  
There's some creepy creatures there.  
They don't like to see the light  
So I'll put one in my brother's bed tonight!

## **REPEAT CHORUS**

In my garden there's a rock.  
Turn it over, get a shock!  
Great big, shiny beetle bugs  
And if you're lucky you might find a slug!

## **REPEAT CHORUS**

## **BRIDGE:**

Come over here, there's giant spider web (SCREAM!)
