

SHARKS

Words & Music by Judy Pancoast © 2003

CHORUS:

Whenever I'm in the ocean I'm afraid I'll see
Sharks, sharks staring straight back at me
Great White sharks, blue sharks, Hammerhead sharks,
Mako sharks, tiger sharks, gliding through the dark;
The whale shark's the coolest shark to meet
Unless he decides to chomp your feet!

REPEAT CHORUS

Round eyes, black eyes, big ol' button eyes...
Sharp teeth, white teeth, rows of bite teeth!
At night I snuggle down in my bed
And see those sharks swimming round my head!!

REPEAT CHORUS

BRIDGE:

Even if you're an excellent swimmer
Don't go swimming after dinner.
The shark, he fast and maybe wiser;
Gonna make you his appetizer

REPEAT CHORUS
