

# ONE BIG EYEBALL

*Words & Music by Judy Pancoast © 2003*

There's a game I like to play, won't you play with me?  
Put your nose up close to mine and tell me what you see....

## **CHORUS**

One big eyeball

One big eyeball

One big eyeball

One big eyeball

Romeo and Juliet tried to share a kiss

He put his face up close to hers but all he saw was this!

## **REPEAT CHORUS**

If you want to play this game, here's a little hint

Give the one you're playing with a really strong breath mint!

## **REPEAT CHORUS**

## **REPEAT CHORUS**

Now you know my little game, play it with pizazz

You will see before too long everybody has...just....

## **REPEAT CHORUS**
