

HANGIN' AROUND

Words & Music by Judy Pancoast © 2003

VERSE ONE

Don't got no lessons I don't got no games;
Everything's cancelled cause of pouring rain
And it's a good day (good day) for hanging around.
Turn off the clock and Mama put away those keys;
We're gonna spend this day doin' what we please
Cause it's a good day (good day) for hanging around

CHORUS:

Hanging around, Hanging around,
Hanging around, Hanging around

VERSE TWO:

We got a million games we haven't played,
We got some recipes we haven't made,
And it's a good day (good day) for hanging around
REPEAT CHORUS

BRIDGE:

And there's nothing I would rather do
Then spend the whole day hanging around with you!

VERSE THREE:

Just hold me close to you when day is done;
Say we did nothing but it sure was fun...
It was a good day (good day) for hanging around

REPEAT CHORUS
