

Superman Can

Lyrics & Music by Judy Pancoast © 2008

Batman can't fly...Superman can
Batman can't have x-ray eyes...Superman can
Batman can't stop speedin' trains...Superman can
Batman can't kiss Lois Lane...Superman can
Ask anyone they'll tell you that it's true,
Batman can't do what Superman can do!
:Now you're frozen in an iceberg floatin' in the Arctic sea
Which superhero gonna come along and set you free?
Superman got heat vision, gonna make that iceberg melt
While Batman's still fumbling, trying to get into his utility belt
Batman can't have super speed...Superman can
Batman can't stop a stampede....Superman can
Batman can't travel through time...Superman can
Batman can't fight super crime....Superman can
Ask anyone, they'll tell you that it's true
Batman can't do what Superman can do....
Batman needs Robin; he can't fight crime alone
Superman don't need a bird to help him in the danger zone
There's a good reason why they call the boy THE MAN OF STEEL
Superman's the greatest superhero ever...let's get real!!
Batman can't.....
(kid interrupts)
Kid: Superman can't do gymnastics...SPIDERMAN CAN
Superman can't be fantastic...SPIDERMAN CAN
As for kissing Lois Lane SPIDERMAN doesn't want to
Cause he can kiss Mary Jane..SPIDERMAN CAN
Ask a kid like me, then ask all the rest
Everyone will tell you SPIDERMAN's THE BEST!!
