

WHERE YOU FIND ALL OF YOUR DREAMS
©1993 Katherine Dines. Kiddie Korral Music, ASCAP

Every night, when I tuck you in,
I wait for the sound of your breathing.
Turn down the light. Quiet begins,
And I stay 'til you're finally sleeping...

Over the rainbow
Under the moon
Far across the sea
High on a mountain
Deep in a canyon
WHERE YOU FIND ALL OF YOUR DREAMS.

Every day, before you wake up
I wait 'til your tiny eyes open.
Holding you close, sunlight pours in,
I'm amazed at how fast you are growing...

Over the rainbow
Under the moon
Far across the sea
High on a mountain
Deep in a canyon
WHERE YOU FIND ALL OF YOUR DREAMS.

High on a mountain
Deep in a canyon
WHERE YOU FIND ALL OF YOUR DREAMS.
