

## DAN DAN INVISIBLE MAN original song

Another opportunity to sing vowel sequences presented in a most pirate-like style. You can use the low-background version (#16) to sing targeted syllables to help foster speech sounds.

Dan, Dan invisible man. He ate his hamburgers with jam.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!

He took a bath in a lake. He brushed his teeth with a rake.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!

He combed his hair with a wheel. He got a head ache in his heel.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!

He went to bed in a coffee can. He washed his face in a frying pan.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!

He wore his socks up on his head. He washed his clothes in his bed.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!

He played outside on a chair. He washed the table off with his hair.  
Yeyaah ha ha. Yeeoh ho ho! Yeyaah ha ha. Yeeoh ho ho!
