

For the trait "Courage"

### Courage

When I show that I'm **courageous**  
In everything I do,  
I don't give up ~ I never quit...  
I want to see it through!

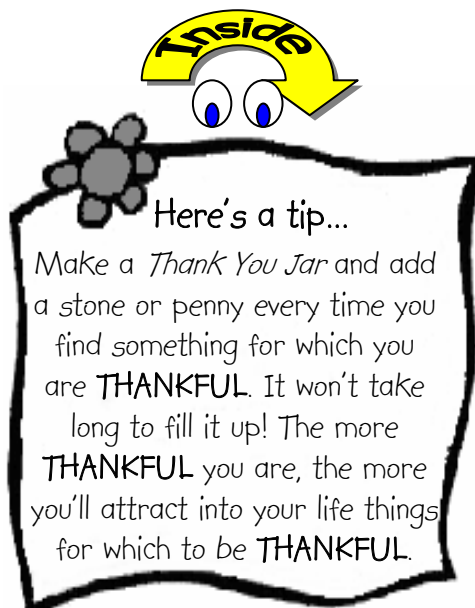

Sometimes when I show **courage**  
In choosing what I say  
I'm just a little scared inside...  
But, I do it anyway!

I'm **courageous** – I am brave...  
It means I'm fighting fear.  
I stand up tall and speak the truth...  
My **courage** is in here. (Point to your heart)
