

# I Dig Reading

(words & music by David Heitler-Klevans, © 2012)

---

(Chorus:)

I dig reading - I dig a good book

I dig reading - Come take a look

(2x)

I dig a book about Stanley Yelnats

Digging holes in the ground (in the ground)

Will he outwit that evil warden?

You'll have to read it, to see what he found

(Chorus)

I dig a book about Mike Mulligan

and his steam shovel Mary Ann (Mary Ann)

Can they dig the foundation in time?

You'll have to read it, to see if they can

(Chorus)

I dig a book about the City of Ember

a city under the earth

Lina and Doon find that danger's coming

Will they leave the place of their birth?

(Chorus – omit final "Come take a look")
