

Let's Read a Story

John H Keenan & Jo-Anne R Wilson-Keenan

Chorus

Let's read a story
What do you say?
Let's read a story today

1. Lets look at the cover
Sit by my side
What do you think
we'll find inside?
Now is the time
to read our book
Open it up
and take a look

Chorus

2. I sound like the characters
as best I can
I sweep under the words
with my hand
Anytime you want
you can join in
Read a few words
Just begin

Chorus

3. The pictures and story
go hand in hand
Let's talk about them
They help us understand
The thing we like best
when you sit with me
is time spent together
as we talk and read
