

Words Are Around Us

John H. Keenan & Jo-Anne R. Wilson-Keenan

1. When we ride in the car
and get to the end of the block
a big red sign says
the car must STOP

Chorus

Words are around us
everywhere we go
Words are around us
They tell us things we need to know

2. When we need to buy some clothes
we go to the store
A sign says ENTER
so we walk right in the door

Chorus

3. When we are thirsty
what do you think?
A word on a plastic bottle
says there's MILK for us to drink

Chorus

4. When it's time for dinner
we go out for a treat
A sign in a restaurant
says there's PIZZA for us to eat

Chorus
