

Summer Slide Blues

John H. Keenan & Jo-Anne R. Wilson-Keenan

1. You can swim in the summer
Play in the park
Go on vacation
Watch fireworks in the dark
But stay away
from the summer slide blues

2. Keep reading those books
Don't slide behind
Go to the library
See what you'll find
But stay away
from the summer slide blues

3. The more you read
the better you'll be
So choose some books
that are fun and easy
But stay away
from the summer slide blues
