

Singing Farm

Welcome to our singing farm
Where everyone gets to sing and dance
Welcome to our singing farm
Where everyone gets a chance

Here comes a cow
She sings moo
She sings moo
She sings moo
And all the animals cheer and sing and say

Here comes a duck
He sings quack quack
He sings quack quack
He sings quack quack
And all the animals cheer and sing and say

Here comes the sheep
He sings baa
He sings baa
He sings baa
And all the animals cheer and sing and say

Song info: This is a vocalisation song that uses the familiar sounds of farm animals.
