Twinkling stars see them shine through the roof of our sukkah
Twinkling stars see them shine, see them twinkle so bright.
Sukkah so high, sukkah so wide, beautiful inside beautiful outside.

Apples & pears & pumpkins & gourds, hanging off of the ceiling, hanging off of the walls.

Lulav tall, etrog small, green and yellow, thank God for all.

Everyone's welcome, come into our sukkah, baruch haba, baruch haba.
