There are ten, there are ten
There are ten commandments to consider carefully
There are ten, there are ten
There are ten commandments to consider.

Number 2 there are no others, let's all promenade. *Chorus*

Number 3 says good words are the best let's be polite
Number 4 celebrate Shabbos, sashay to the right. *Chorus*

Number 5 says love your parents, love 'em loud and clear
Number 6 don't hurt anybody, and do si do my dear. *Chorus*

Number 7 says married people love each other hands down
Number 8 keep your mitts to yourself, quarter turn and then back around. *Chorus*
