

The New Kid In School*(I wonder where she's from!)***The New Kid In School***(Maybe she used to live in a big city)***The New Kid In School***(I was new last year, I'm going to say hi to her)***The New Kid In School***(Do you think she'd be our friend?)*

*Oh look—an empty chair, you know what that means...
"NEW KID!"*

Check it out—I'm going to a class of kids
that I've never seen
They may not like me, they might be mean.
I miss my old teacher, my old neighborhood.
All my friends, our jokes, when it was all good.
Everything is new, now, and I'm trying to deal.
But I'm crossing my fingers, that someone
here's for real.

The New Kid In School*(Wow! I don't know anyone here)***The New Kid In School***(I really hope I make new friends today)***The New Kid In School***(I don't know, I think she'll like us. What's not to like?)***The New Kid In School***(I'm going to invite her to my slumber party!)*

*Did you do that reading last night?
Yea, I did it. I did extra credit too!
Alright class, please take your seats!*

Another day with my class and all the same faces
Take my seat by the window, watch the teacher erasing
The board, then at the door, a new kid appears
Never seen her, never heard of her—who is this?
I'm shy, but curious to meet this new kid
I hope the teacher seats her near me; oh wait—she did!

The New Kid In School*(Wow, she seems really cool!)***The New Kid In School***(I wonder if they like math like I do)***The New Kid In School***(I wonder if she has a dog—or a cool cat!)***The New Kid In School***(I bet she likes to play catch)*

*It's really hard to break the ice. I know.
Someone should say something to her!*

At first it's hard to figure out just what to say
To someone you don't know at all, what sounds okay?

Umm.. Hi! How are you? What's your name?
Where're you from? Do you like to play?
'Cause we do, and you can come!

Well cool, nice to meet you. I go by "Kay"
I just moved here to town, and sure—I'd love to play!

The New Kid In School*(I'm so glad I said something)***The New Kid In School***(Sweet, I already have a new friend!)***The New Kid In School***(I can't wait to play with her!)***The New Kid In School***(This is going to be a fun year!)*
