

I'm a spelling fool, the Spelling Bee King  
Give me a word, I can spell anything

He's a spelling fool, the Spelling Bee King  
Give him a word, he can spell anything

(I'm the) KING! K-I-N-G  
(He's the) KING! K-I-N-G

Letters make words, words make phrases  
Spelling words correctly makes phrasing amazing  
AMAZING—A-M-A-Z-I-N-G  
AMAZING—A-M-A-Z-I-N-G

It takes effort to be on top of the game  
So I practice, and write, that's my claim to fame  
And all the wanna-be spellers who don't try their best  
They fall to the floor, they kneel to the crest  
Of the Spelling Bee King, the Spelling Bee King  
The Spelling Bee King!

*Step aside king—there's a queen in the house!*

That's right, I'm a spelling player  
The Spelling Queen Bee  
I'll spell any word from A to Z  
She's the spelling player  
The Spelling Queen Bee  
She'll spell any word from A to Z

('Cause I'm the) QUEEN—Q-U-E-E-N  
(She's the) QUEEN—Q-U-E-E-N

Spelling takes a bit of effort so I'm a busy girl  
it helps me with my reading, which takes me  
around the world

THE—T-H-E, WORLD—W-O-R-L-D  
THE—T-H-E, WORLD—W-O-R-L-D

Everyday of my life, I learn new words to spell  
Long ones, short ones, I spell them all well  
I have my favorites, my difficulties  
But I'm doing my best, in the elementary school  
I'm the Spelling Queen Bee, I'm the Spelling Queen Bee  
Yea, I'm the Spelling Queen Bee

*Everyone gather round for the spelling bee battle.  
King, Queen—Pick your words and the battle is on.*

Alright now... GENIUS, as in "The King is the maestro of  
spelling, a true GENIUS"

GENIUS, G-E-N-I-U-S. No problem, I got that.  
How bout this now: SURPRISE  
As in, "It was a SURPRISE to the king how quickly he  
lost the spelling bee battle."

SURPRISE, S-U-R-P-R-I-S-E. SURPRISE. Yea. Good one!  
Alright, Miss Thing, how about MISSPELL? As in, "I do  
not ordinarily MISSPELL words."

Oh I got that one. Oh wait... Oh no I got it!  
MISSPELL, M-I-S-S-P-E-L-L. MISSPELL. Ha!  
Two s's in that one, you almost had me!  
But don't mistake me for someone who would back  
out of a battle!

You know I won't! W-O-N-T with an apostrophe!  
But let me tell you something. I won't back out either.  
I'll be here.  
I'll be right here too!  
Same time, same place, next week? W-E-E-K?

I say we call this a draw—a D-R-A-W?!  
Oh you know it! King, Nice job.  
You too! I guess we're at the E-N-D!
