

**Clean it Up!**

**You know you've got to make this room look better**

**Clean it Up!**

**One by one we'll make this room look better**

**Clean it Up!**

**Together we can make this room look better**

**Clean... it... up!**

Pick up your toys—

And put them all away now!

Pick up your toys—

And put them all away now!

Clear the floors—

So we can dance and play now!

Clean... it... up!

**Clean it Up!**

**You know you've got to make this room look better**

**Clean it Up!**

**One by one we'll make this room look better**

**Clean it Up!**

**Together we can make this room look better**

**Clean... it... up!**

Take out the trash—

It's stinky and it's dirty!

Take out the trash—

It's stinky and it's dirty!

Recycle the cans—

And make our world much better!

Clean... it... up!

**Clean it Up!**

**You know you've got to make this room look better**

**Clean it Up!**

**One by one we'll make this room look better**

**Clean it Up!**

**Together we can make this room look better**

**Clean... it... up!**

Clear the table—

And put away the dishes!

Clear the table—

And put away the dishes!

Clear the table—

And say, "Thanks for dinner!"

Clean it up!
