Written by Kaitlin McGaw, Tommy Shepherd, Jason Villaroman

Subtract the soda  
Add the water  
Minus the cookies  
Plus the almonds

You got it, you got it right  
I got it, I got it right  
You got it, you got it right  
I got it, I got it right

Delete the donuts  
Insert the grapes  
Reduce the sugar  
And stay in shape

You got it, you got it right  
I got it, I got it right  
You got it, you got it right  
I got it, I got it right

**C  
H  
O  
R  
U  
S** It's the Food Calculator  
the Food Calculator  
the Food calculator  
the [beep beep beep beep]

Average out what's heavy  
Multiply your veggies  
Eliminate the junk food  
Simply makes you feel good

You got it, you got it right  
I got it, I got it right  
You got it, you got it right  
I got it, I got it right  
Divide your foods  
Count on the good ones  
Less snacks  
More jumping jacks—*huh!*

You got it, you got it right  
I got it, I got it right  
You got it, you got it right  
I got it, I got it right

[CHORUS]

It's mathematic  
Change up the food you eat  
Food calculating  
You'll never miss a beat
