Friends forever...

We all need someone to lean on
An extra shoulder to cry on
I'll be there, I'll be there
I'll be there, I'll be there

We all get hurt feelings
Friendship can bring healing
I'll be there, I'll be there
I'll be there, I'll always be your—

Friend! I will be your friend
Because we're all in need of someone
A friend to be there right up to the end
Friend! I will be your friend
You know that you make life so fun
We'll be there for each other 'til the end

When you're out at the playground
With no one to play with around
I'll be there, I'll be there
I'll be there, I'll be there

If you're hangin' by the swingset
and need a push to fly your jet
I'll be there, I'll be there
I'll be there, I'll always be your—

[CHORUS]

So turn that sad frown upside down
And dry those tears and laugh out loud
And know our friendship takes the crown
'Cause I am right here, right here

I'll pick you up when you fall down
Sing you songs when you just frown
I'll be right here, right here
I'll always be your—

Friend—someone that I trust
I need someone like you
that helps me pick my toys up
The friend that I think about first
when I wake up
When homework gets too hard
you help me catch up
I'm down on the playground
you remind me to get up
Not afraid to say cut it out
when I'm really cuttin' up
It's time to play—you get me to step up
Up the show for sho' and always show up
I'll always be your friend

[CHORUS]
