We are the senses
Smell, hear, taste, touch
Come and see and know all of five of us!
We use our nose, ears, tongues, hands, eyes
You know you got to use all five of us!

Catfish get help from their whiskers to eat
Mosquitos like to bite, when they sense the heat!
Use their touch touch touch touch
to feel feel real real

I'm a sensitive snail that's why I withdraw
I'm a 8 legged octopus, I feel it all
Guess i'm touchy, touchy, touchy, touchy, touchy
I'm touchy, touchy, touchy, touchy, touchy
