

Cecil (The Serpentine Dragon)

© Andreas G Zamenes, Andyland Music (BMI)

Look at me, up in the sky
I'm waving with my wings
I'm only two years old
but I can fly and I can sing

I'm not a bird or butterfly
"Then who?", you must be askin'
Well let me introduce myself
I'm Cecil, the Serpentine Dragon

Oh hello! Here I am again!!...

You wonder why I sing this way?
I say would you believe?
My tongue's so big
it sticks out of my mouth like this you see?

My mom says it won't stay that way
but I can't even imagine
Saying the "C's" with grace and ease
in Cecil, the Serpentine Dragon

Hot stuff, comin through!...

There's a fire in my belly
but I don't know how to breathe it
It only comes out when I laugh out loud
or when I sneeze it

So when you start to tickle me
And my tongue starts a waggin'
please don't stand in front of me
I'm Cecil, the Serpentine Dragon

That's me!...Cecil!!

Uh oh, look out Andy Z

I think I'm gonna sneeze

AH AH, AH AH, AAAH-CHOOOO!!...

Oh sorry... Stop, drop & roll, it works for me!!
