

Bizzy Bee

I wanna be
A bizzy bizzy bizzy bee

From flower to flower
And tree to tree

I don't mind you
And you don't mind me

Oh how I love to be a bizzy bee

I make a buzzzzzz
That's how I sing

You wanna know how?
Check out my wings!

I buzz around
So happily

Oh how I love to be a bizzy bee

Back to the hive
My friends I'll meet

With lots of pollen
Stuck to my feet

We'll make some honey
Now ain't that sweet

And all the baby bizzy bees can eat

I wanna be
A bizzy bizzy bizzy bee

I love to buzzzzzz
But now I'm beat

So I'll go home
And rest my feet

And soon this bizzy bee will be asleep
