This Land Is Your Land

This land is your land, this land is my land
From California to the New York island
From the Redwood Forest to the Gulf Stream waters
This land was made for you and me

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me

I've roamed and rambled and I followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me

There was a big high wall there that tried to stop me
A sign was painted, it said “private property”
But on the back side, it didn’t say nothin’
That side was made for you and me

When the sun came shining, and I was strolling,
And the wheat fields waving and the dust clouds rolling
A voice was chanting as the fog was lifting
This land was made for you and me

This land is your land, this land is my land
From California to the New York island
From the Redwood Forest to the Gulf Stream waters
This land was made for you and me

This land was made for you and me

This land was made for you and me
