

## **Boo Boo Song**

I have a boo boo on my head  
On my head, on my head  
I have a boo boo on my head  
A boo boo on my head

I have a boo boo on my eye  
On my eye, don't know why  
I have a boo boo on my eye  
A boo boo on my eye

I have a boo boo on my nose  
Not my toes, on my nose!  
I have a boo boo on my nose  
And that's the way it goes

I have a boo boo on my chin  
On my chin, on my chin  
I have a boo boo on my chin  
But I still can sing!

I have a boo boo on my tummy...  
That's no boo boo, that's my belly!  
I have no boo boo on my tummy  
That's only my belly!

I have a boo boo on my knee  
On my knee, yes sirreee!  
I have a boo boo on my knee  
A boo boo on my knee

I have a boo boo on my foot  
On my foot, take a look  
I have a boo boo on my foot  
A boo boo on my foot

If you have boo boos anywhere  
Anywhere, anywhere  
Just keep them clean and take good care  
And soon they'll disappear
