

Pumpkin Patch

Let's all go down to the pumpkin patch
Let's all go down to the pumpkin patch
Let's all go down to the pumpkin patch
So I can pick my favorite one

Let's all hop down to the pumpkin patch
Let's all hop down to the pumpkin patch
Let's all hop down to the pumpkin patch
So I can pick my favorite one

Some are big, and some are kinda small
Some are wide, and some are kinda tall

No one pumpkin is better than the rest
But you can pick the pumpkin that you like best

Let's all skip down to the pumpkin patch
Let's all skip down to the pumpkin patch
Let's all skip down to the pumpkin patch
So I can pick my favorite one

Let's all jump down to the pumpkin patch
Let's all jump down to the pumpkin patch
Let's all jump down to the pumpkin patch
So I can pick my favorite one

Some are round, and some are kinda flat
Some are skinny, and some are kinda fat

No one pumpkin is better than the rest
But you can pick the pumpkin that you like best

Let's all go down to the pumpkin patch
Let's all go down to the pumpkin patch
Let's all go down to the pumpkin patch
So I can pick my favorite one
