

Down By De Station

©2007 Andreas G Zamenes (BMI)

Down by the station, early in the morning
See the little pufferbellies all in a row
See the station master pull the little handle
Puff Puff Toot Toot, off they go

First throw your hands up, throw your hands up
Throw your hands up 'cause I'm sayin' what's up?
Throw your hands up, throw your hands up
Throw your hands up, don't forget your sippy cup

Kids: WHAT?

Rasta Froggy: Dontcha have a sippy cup?

Kids: NO!!

Oh sorry...froggies don't be drinkin' out of cups anyhow...
Now get ready... 'cause here comes the part I call, hip hop...

Put your hands in the air, your hands in the air
You waive 'em over here and ya waive 'em over there
Your hands in the air, your hands in the air
Waive 'em everywhere 'cause you just don't care

Now put your hands on your hips, your hands on your hips
Move it side to side like like that and this
Your hands on your hips, your hands on your hips
Like a grandfather clock going tick tock tick

Just moving side to side, moving side to side
Don't be getting shy 'cause you're doing just fine
You're moving side to side, moving side to side
And moving side to side like the very first time

Now shake it on down, shake it on down
Shake it on down 'til your touching the ground
Now up off the ground, up off the ground
Get up off the ground 'cause you know we're going down

Down by the station, early in the morning
See the little pufferbellies all in a row
See the station master pull the little handle
Puff Puff Toot Toot, off they go

But don't be getting on just yet

Here's something you need, before I forget

I got me a pack I take it off my back
You're gonna need these if you're going down the tracks
You ask me "What are these things?"
Well let me explain
You're gonna need a ticket just to ride the Timmy Train

So you put your hand in, you take a ticket out
You put it in the air, then you shake it all about
You do the Rasta Froggy and you turn yourself around

That's what it's all about

Now that's what I'm talking about

Here comes Timmy, just tearin' down the tracks
