Little Timmy train tearin' down the tracks
Local locomotive's what your lookin' at
Waitin' at the station, he's about to leave
If you wanna take a ride then follow me

Tuck your Timmy ticket tightly in your hand
We're gonna take tour of Andyland

Woo Woo, Woo Woo, Woo Woo, Woo Woo
Little Timmy Train just a tearin' on down the tracks

Conductor takes your ticket and you take a seat
Lookin' out the window what I sight to see
All the trees in towns just a blowin' by
Can't believe I seen it with my own two eyes

Little Timmy Train just a tearin' on down the tracks
GO TIMMY!

Train conductor tells it's a time to go
Tickles in my tummy turnin' to and fro
Andyland Amusement Park is just ahead
Andyland Amusement Park that's what I said

Take another ticket 'cause you'll need it when
Little Timmy Train comes around again

Woo Woo, Woo Woo, Woo Woo, Woo Woo
Little Timmy Train just a tearin' on down the tracks
Little Timmy Train just a tearin' on down the tracks
I'm talkin' Little Timmy Train just a tearin' on down the tracks
