Wanna take a ride on a roller coaster
(Roll roll clickety clack, roll roll clickety clack)
Here's an empty car just come on over
(Roll roll clickety clack, roll roll clickety clack)

Slide in to the seat sittin' side by side
Pull the bar close now you're locked in tight
We're gonna take a ride on a roller coaster
(Roll roll clickety clack, roll roll clickety clack)

Rollin' we're rollin' on down the track
(Roll roll clickety clack, roll roll clickety clack)
Movin' up slow "This ain't so bad"
(Roll roll clickety clack, roll roll clickety clack)

Clickin' and rollin' right to the top
Take a look down "Uh, can I get off?"

'Ain't no getting off this roller coaster
(Roll roll clickety clack, roll roll)

Andy Z: Hey, why did we stop?

Grandmaster Z: Hold on to your lunch money, 'cause we're fittin' to drop!

Rockin' we're rollin' at a furious pace
(my roller coaster ride)
Twistin and turnin' 'all over the place
(my roller coaster ride)

Funnel through the tunnel then we turn around
Do the loop de loop hangin' upside down

This is how we ride on a roller coaster
(my roller coaster ride)

Roller coaster ride comin' to and end
(oooooh hooh!)
Get out of the car, howd'ya do my friend?
(oooooh hooh)

Andy Z: Well, thank you Grandmaster, I'm sure glad we met!

*Grandmaster Z: Hey, Where ya goin'? We ain't done yet!
Let's take another ride on a roller coaster...*

Andy Z: But I don't think I....

Grandmaster Z: That's good!

My roller coaster ride!
