

Race Car Drivin'

Hey what's up? I'm Racer Dude
Check my car, and meet the crew
We made this track especially
So you could go race car drivin' with me

Choose your ride and hop on in
The race is ready to begin
Buckle up and take a spin

Race car drivin'
Rollin' down the track
Race car drivin'
Never Looking back

Punch it on the straightaways
Turns are tight, but that's o.k.
This is how I wanna play

When I'm race car drivin'
Race car drivin'
Race car drivin'
Ahhh...
Everyday!

Ranger Dude: Everyday?
Racer Dude: Well, yeah ...
except most Sundays and holidays...
Ranger Dude: Sweeeeet...

Passing cars with style and ease
Until two crashed in front of me
One just swerved and hit the brakes
Man that was a big mistake

Now they're spinnin' out of control
Through the smoke, I hit the hole
Coast is clear, I'm good to go

And I'm race car drivin'
Rollin' down the track
Race car drivin'
Never Looking back

Take a pit stop, get some gas
Brand new tires in seconds flat
My pit crew is super fast!

Chief (pit crew chief): Thanks!

When I'm race car drivin'
Race car drivin'
Race car drivin'
Ahhh...

Chief: Twenty laps!

Racer Dude: Twenty laps! Chief, I'd better make my move.

Chief: Don't worry Dude, just pass him on the inside turn...

Final lap, I'm in the lead
Down the stretch at record speed
Today I'm making history!

'Cause I'm race car drivin'
Rollin' down the track

Chief: That's it Dude, you're in the home stretch- give it all she's got!!

Race car drivin'
Never Looking back

Racer Dude: I'm gonna do it... I'm gonna break the record!!

Race car drivin'
Now it's in the bag
Race car drivin'
Wave the checkered flag!
