

All Around the Kitchen

All around the kitchen, cock-a-doodle doodle doo (x4)

*Now you stop in your spot
Throw things in the pot
Now you stir what you got
Now you eat it while it's hot*

All around the kitchen, cock-a-doodle doodle doo (x4)

*Now you stop right there
Put your paws in the air
Pretend you're a bear,
Grit your teeth and growl*

All around the kitchen, cock-a-doodle doodle doo (x4)

*Now you stop real still,
Flap your arms if you will
Pretend there's a chill
Now you hop up and down
All around the kitchen, cock-a-doodle doodle doo (x4)*

*Now you stop where are
and you're driving real far
Now you beep your car,
Now drive around in a circle*
