

Follow Me

*Oh yeah, follow me, we can skip to the sea
Oh yeah, follow me, the wind, and the sun, you and me*

*Oh yeah, let's explore. We both know what's in store
Oh yeah, follow me, the wind, and the sun you and me*

*We might get lost
Let's call our names out loud
And listen closely*

*Oh yeah, follow me, we can skip to the sea
Oh yeah, follow me, the wind, and the sun, you and me*

*Oh yeah, what's ahead, something new like you said
Oh yeah, follow me, the wind, and the sun you and me, you and me. . .*
