

Can You Make a Circle?

*Can you make a circle?
Can you make circle?
Make it big and round. Make it with your arms. Hey!*

*Can you make a diamond?
Can you make a diamond?
Make it nice and bright.
Make it with it your elbows. Hey!*

*Can you make a heart?
Can you make a heart?
Make it full of love
Make it with your hands. Hey!*

Chorus:

*The world is full of things to do
Don't be scared by something new
Keep on trying and you will see
What your talents are meant to be*

*Can you make a spiral?
Can you make a spiral?
Make it twirl around
Make it with your finger. Hey!*

*Can you make a circle?
Can you make circle?
Make it big and round. Make it with your arms. Hey!*
