

Jolly Ole' Soul

*Jolly Ole Soul Jolly Ole' Soul
Can you tell me which way to go?*

*How's it going, how do you do?
Did you meet me or did I meet you?
I'm a little girl, you're a little boy
And we live in our houses on a country road
You like mice but I like that brown toad*

Chorus:

*We are friends today
I like the things that you say
I like the things that you do
And I like that it's me and you*

*My mommy bought me this brand new dress
Your daddy bought you some brand new shoes
Let's go down to the creek
We'll listen to the birds and animals squeak
I like how that bird has a red beak*

*Have you grown and inch or have you grown two?
Are your eyes brown or are they blue?
Don't know those things but I know you*

Chorus

*Jolly Ole Soul Jolly Ole' Soul
Can you tell me which way to go?*
