

**It's The Flag Along The Way**

by Bobby Susser

1. The child/children may sing along.
2. The child/children may draw or find a picture of the flag that represents his/her/their country.
3. The child/children may compare flags from different countries.

It's the flag along the way  
that will guide us through the day.  
It's the flag along the way  
that will guide us through the day.

Raise the flag to the sky.  
In the wind watch it fly.  
And the joy that it brings  
stirs the heart as we sing.

It's the flag along the way  
that will guide us through the day.  
It's the flag along the way  
that will guide us through the day.

You can feel the freedom there  
when the flag is flying there.  
And the colors that it brings  
makes us all start to sing.

It's the flag along the way  
that will guide us through the day.  
It's the flag along the way  
that will guide us through the day.  
It's the flag along the way  
that will guide us through the day.  
It's the flag along the way  
that will guide us through the day.
