

We Deserve The Best

by Bobby Susser

1. The child/children may sing along.
2. If the setting is appropriate, the child/children may march to the song.
3. The parent/teacher may want to join the child/children in singing the chorus.

We deserve the best
Nothing but the best
We deserve the best
Nothing but the best

We'll take the juicy apples
No, we don't want the rest
We'll pick the finest cherries
'Cause we deserve the best

Yes, we deserve the best
Nothing but the best
We deserve the best
Nothing but the best

It feels so great to be here
It feels like we've been blessed
The days are shining on us
'Cause we deserve the best

Yes, we deserve the best
Nothing but the best
We deserve the best
Nothing but the best

We know that what's important
Is knowing happiness
And we believe forever
That we deserve the best

So, we'll take the juicy apples
No, we don't want the rest
We'll pick the finest cherries
'Cause we deserve the best

Yes, we deserve the best
Nothing but the best
We deserve the best
Nothing but the best
