

BUILDING BRIDGES TODAY

By Bobby Susser

CHORUS:

Building bridges today
So we can talk until tomorrow
Building bridges today
So we can talk until tomorrow
So we can talk until tomorrow

There's nothing like you
And nothing like me
To talk for a while
And even if we
Don't seem to agree
Talking brings a smile

CHORUS:

Oh maybe we'll see
That we can be
Closer than we are
And maybe we'll see
That we can be
Similar shining stars

CHORUS:

BRIDGE:

Let us start today
Let us not delay
Let us pave the way
Now, now, now.....

So, let's get on up
And build a bridge
One from me to you
Yeah let's get on up
And build a bridge

It's been long overdue

CHORUS: (Fade)
