

## **SODEO Dance**

Here we go sodeo, sodeo, sodeo  
Here we go sodeo, all night long  
Here we go sodeo, sodeo, sodeo  
Here we go sodeo, all night long

I looked 'round the corner, what did I see  
A great big man from Tennessee!  
'Looked 'round the corner, what do you know!  
A pretty little lady from O-HI-O.

To the front, to the back, to the see-saw side  
To the front, to the back, to the see-saw side.

V2 what did I see ..... a mom and pop from Mississippi

What do you know ..... a couple of kids from Idaho

V3: what did I see ..... smiling faces looking at me!

What do you know .... Everybody laughing: Ho ho ho!

This dance can be done many ways – I put hands in the air and sway for the chorus, put a “looking hand” to my forehead for the verse, and jump front, back, side side side.
