

What Are You Wearing by Hap Palmer ©2001

Thanks to my fellow musician Kathy Reid-Naiman for re-introducing me to this wonderful song!

What are you wearing? What are you wearing?

What are you wearing today, today?

What are you wearing? What are you wearing?

What are you wearing today?

1. If you're wearing blue jeans, stand up!

If you're wearing blue jeans, tap your head!

If you're wearing blue jeans, turn around

If you're wearing blue jeans, sit back down!

v. a t-shirt, stand up, pat your head

v. underwear! Stand up, do the hoochie-coochie dance!

v. If you've got a belly-button, stand up, flap your arms like a chicken!
