

WILLABY WALLABY WOO!

original poem by Dennis Lee c.1974

Willaby wallaby wuther, an elephant sat on your mother!
Willaby wallaby wachel, an elephant sat on Rachel
Willaby wallaby watthew, an elephant sat on Matthew!
Willaby wallaby wistopher, an elephant sat on Christopher

Substitute your children's names – or anyone playing. I use an elephant puppet, and when he sits on a child's head, they lay down! Children 2 – 7 LOVE this game! However, if a child is fearful, DO NOT squish them.
