

Creepy Mouse / Sneaky Cat spoken

Creepy mouse! Creepy mouse!
And along comes a big black cat – SCAT!

Sneaky cat! Sneaky cat!
Looking for a big fat mouse – POUNCE!

This can be done so many ways – but here's my go-to:

Line 1: Sitting V-seat, creep fingers forward on the floor.

Line 2: Put hand to forehead, "looking", then clap loudly on "SCAT!"

Line 3: Creep on knees

Line 4: Put hand to forehead, on "POUNCE" bring both hands to the floor quickly – catch it!
