

My Grandfather's Clock

This rhythmic song can be done clapping hands or using sticks – I prefer claves or lummi sticks. The tempo of the beat changes for each clock – grandfather/slow, kitchen clock/medium, watch/fast! Find pictures of each kind of clock so that the children understand what they're singing about.

My grandfather clock goes tick tock tick tock tick tock

My old kitchen clock goes ticktock ticktock ticktock ticktock

My little wrist watch goes tic tic tic tic tic tic tic tic tic tic tic tic tic tic tic tic, TOCK!
